30 YEARS OF EXCELLENCE IN EDUCATION - WIDENING HORIZONS

Assemblies – A Source of Brimming Talent

JHPS conducts regular assemblies which would kindle the creative spirit of the students. The thematic assemblies prepared by the students ignite the minds of the students to add aesthetic touch to the assemblies along with intellectualism. The school assembly raises awareness among the students about various national and global issues as well as inculcates moral values. Its objective is that the students should grow up to be responsible citizens of the planet.

Humanity- A way to be good human

Constant thankfulness

Destiny

Environment- Conserve it

Importance of time

Obedience

Don't wish it were easier, wish you were better.

"The philosophy of the school room in one generation; will be the philosophy of the government in the next."

- Abraham Lincoln

The theme of this issue of the hillside news is 'Widening Horizons'

Jubilee Hills Public School is close to all our hearts. It has nurtured and aided the growth of all the students, supported them through hard times and driven them to success. We aim to revive every memory of the school in the students and help them relive the school's odyssey. This legacy of our school is special and has developed over many years which wouldn't have been possible without the constant support from everyone. 2016 highlights the 30th anniversary of the school's endeavour to excellence. The school has retained its morals till date and has consistently provided quality education to its students. It has incorporated advanced teaching methods with trained teaching staff to become one of the best schools in the city. This issue of the Hillside News highlights the milestones of our school's journey. We hope you revel in the joy the school brings to everyone and remember it forever.

SUCCESS OF TEAM WORK

*The Success of Team work – coming together is a beginning,
keeping together is progress, working together is success.*

- Henry Ford

On this 30th year of our existence, it is a matter of satisfaction and pride that what started as neighbourhood school has now become the Best School in Telangana and Andhra Pradesh.

During the past 30 years, the institution has created an environment and ambience that fosters learning, as it provides the students with opportunities to explore and grow through situations that challenge them to identify their strengths and reinforce them.

I take this occasion to congratulate one and all on this 30th year in the field of education for their strong sense of commitment, service and responsibility that has transformed this institution into an outstanding and significant temple of learning today. We have scored well in areas of Infrastructure, Facilities, Sports Amenities, Technology and Academics. The Committed Management, Dedicated Staff, Co-operative Parents and Skillful Students have come together to create such a successful school. We have won several awards consistently in the past few years and have been rated as the Best School in Hyderabad and also one of the Best Schools in South India. In spite of all these, we all should realize that Education is an ongoing process and to remain at the top our efforts should not slacken at any point of time.

We wish the staff and students continued success in the coming years too....

A. Murali Mukund
Chairman
Jubilee Hills Public School

Widening Horizons

"The heart of education is the education of the heart"

To take the school to new heights, we are committed to promoting our cherished tradition of diligence and dedication among students and teachers; adopting the humanistic approach to provide quality education; nurturing in students a passion for education; upholding the school ethos of simplicity; widening students' horizons in all aspects of life; and enhancing teaching efficacy and fostering team spirit among teachers.

Our endeavor is also to shape our students as the models of India strongly attached to their time-tested value system.

My heartfelt thanks goes to all the torch bearers in the managing committee whose untiring work has created 30 years of history in Jubilee Hills Public School.

I extend my warm wishes to one and all to continue this journey on to the road of excellence.

M. Varalakshmi
Principal
Jubilee Hills Public School

Completion of the 30th year in education is a matter of great pride for the JHPS family. The Title "Widening Horizons" is very apt. Widening horizons not only reflects the growth of the School itself from six students and one Teacher to almost 3000 students and 170 teachers but also the education imparted to thousands of students who have crossed the threshold of the School and have made a mark in the world by contributing to the building of better society and world.

As Robert M. Hutchins has said, "Education is not to reform students or amuse them or to make them expert technicians. It is to unsettle their minds, widen their horizons, inflame their intellects and teach them to think....."

The dynamics of education are widening and unlike the previous times where marks alone mattered for success, today the students need all round development with thinking skills, public speaking, networking collaboration and team work. We at Jubilee Hills Public School, have incorporated all these and more into our teaching which is manifested in the wide array of Awards received. We know that JHPS will continue its quality contribution in the field of Education and leave a mark in the world.

G. Sree Devi
Academic Director
Jubilee Hills Public School

ACCOLADES AND AWARDS

ANOTHER FEATHER IN THE CAP-JUBILEE HILLS PUBLIC SCHOOL RANKED NO.1

Jubilee hills Public School has once again proved that they are the leaders in Education by bagging the first place for the Best Schools of Hyderabad – 2015, in a recent survey conducted by Asia’s premier magazine, DIGITAL LEARNING.

Asia’s premier magazine on education, Digital Learning’s mission is to raise awareness about how Information and Communication Technology (ICT) is playing a pivotal role in enhancing and accomplishing quality education. Digital Learning Magazine has embarked on a quest to rank the Best Schools of the country.

The school has been Ranked No. 1 in parameters such as Academic Outcomes, Goodwill, Legacy and Reputation, Future Ready Academic Infrastructure, Enrichment of Learning Experience and Career Advancement.

The award ceremony was organized at New Delhi on 18th February, 2016. Ms G. Sree Devi, the Academic Director received the award.

AMONG THE TOP 20 CBSE SCHOOLS IN HYDERABAD BY BRAIN FEED

The research team of Brainfeed Magazine carried out a survey based on the following parameters such as Academic Reputation, Co-curricular Activities, Teacher Welfare and Development, Faculty Competence, Conflict Management in Education, Infrastructure, Leadership, Management, etc.

Jubilee Hills Public School was awarded in commendation of the vision and the paradigm shift in imparting life-changing learning opportunity for the future generation among top 20 CBSE- Andhra Pradesh & Telangana Schools by Brain feed, a prestigious educational magazine as the school has constantly upgraded its knowledge base by employing and retaining learned and knowledgeable teachers and other support staff and in keeping them motivated to perform optimally in a consistent manner.

MIRROR OF SUCCESS

Encouraging students by rightly awarding them for not only excelling in academics, but also in co-curricular activities and sports is what the school Managing Committee believes in. After a series of selection processes, the students of Class X are selected for the Best All rounder Student Award, the Best Girl Student Award and the Best Boy Student Award.

Divya Poluri of Class X was the recipient of The Best All-Rounder Award for the academic year 2014-15.

“Success in life comes when you simply refuse to give up, with goals so strong that obstacles, failures and loss only act as motivation.”

School life is a very important part of one’s life because it provides ample opportunities to the students in academics as well as discipline. It also helps in building up strong mental and physical foundation necessary for a student to succeed in their future.

The years that I studied at JHPS had been really wonderful, filled with joy amongst my friends and immense love from my teachers. JHPS has shown me what I am made of and has helped me see the path I want to walk.

Words are not enough to express my gratitude and never will be. I thank the entire JHPS family for their never ending support and love. I have collected a treasure house of memories – the naughty jokes, loving teachers, cultural activities among many others. Stepping

out with immense patience and dedication, I proudly hold my head high and will cherish my memories of school.

Epsisri Potluri of class X was awarded as the Best Girl Student for the academic year 2014-15.

What was your reaction when you were nominated as the best girl student?

Well, I was definitely surprised. I actually couldn’t believe myself and was reassured by my mother that I had indeed been nominated as the best girl student. I felt extremely happy as it was my mother’s dream to watch me receive an award on the Annual Day.

Who was your role model?

My parents have been my role models. They have been with me during all my emotional outbursts and have given me the confidence to move on. I am also deeply influenced by my grandfather, a simple man who has the true perception of life. The willingness with which he takes up a challenge always made me look up to him.

Is this your Dream Come True?

Yes, receiving the Best Girl Student Award is beyond my wildest dreams. I consider myself lucky and blessed to receive this award from JHPS.

Do you think there is any unique ability one should develop?

One must always develop the willingness to take up any challenge. Win or Lose, but taking up the challenge is important because it gives you experience which is beyond any prize or title

What is your most accomplished event in your journey at JHPS?

In the years that I had studied in JHPS, there was a new lesson that I learnt every day. That one event that made what I am today was the Workshop on Public Speaking and Personality Development’ which I had attended in my VIII grade. The workshop made me confident and taught me to believe in myself.

Gadde Sai Nikhil Chowdary of

class X was awarded the Best Boy Student for the academic year 2014-15.

What motivated you to achieve this success?

My parents and teachers were my motivation. They helped me a lot in developing passion towards studies and to achieve my goal.

Brief us about your dreams and aspirations for your future?

My ambition is to become a successful doctor. I will work hard to achieve this.

Describe any special moment in school?

In school, every moment is special and unique. It gives me immense pleasure and happiness recollecting my school days.

Is this your dream come true?

Yes, It is! It was totally unexpected for me to receive this award. It was the happiest moment in my life which I would cherish forever.

What is your message for your juniors?

I’d just like to tell them to be cool and participate in all the programmes possible. Be active and show your energy. This is the place where you can grow from nothing to something.

30 Years of Excellence in Education – Widening Horizons

“Education is our passport for the future, for tomorrow belongs to the people who prepare for it today.”

- Malcolm X

INTRODUCTION

It is said that the journey of a thousand miles begins with a single step.

This single and significant step was taken by our beloved institution Jubilee Hills Public School in the year 1986 with a humble beginning and the visionary outlook of a few illustrious philanthropic individuals.

Today, we stand before you with head held high, though with a humble heart, acknowledging with gratitude and great joy, this remarkable milestone in our journey - 30 years since our inception.

Taking one day at a time, overcoming huge challenges, achieving extraordinary things; we have forged ahead with dedication and an immense amount of hard work which was possible only because of the guidance and support rendered by the management in the form of meticulous planning and continuous encouragement.

Jubilee Hills Public School commenced its journey on 3rd September, 1986, with six students, one teacher and a helper in a single room. Since its inception, our institution has grown in leaps and bounds and we are forever looking for ways to raise our standards. The dynamic staff of the school who strive for the improvement of the school take utmost care to ensure that the most important stakeholders - our dear students, are exposed to an outstanding amalgamation of tradition and technology.

As the years rolled by, the number of students enrolling in the school gradually rose. The students achieved excellence and received accolades in academics and sports.

The school provides various facilities for the overall development of the students which include, identifying the talents and strengths of each student, rendering valuable and required training for further enhancement of character and personality. Along with the required training in academics, it constantly strives for the enhancement of the physical and mental aptitude of the students through training given in sports, arts, personality development and value enhancement.

INFRASTRUCTURE

The magnanimity of the distinguished members of the Managing Committee can be seen in the spectacular infrastructure of the school that has developed gradually to start the Venkatadri Block. Soon after which the Vignan Block came into existence, followed by the Vivek Block in 1998 and finally the Vision Block in 2009. The blocks accommodate the students comfortably and improve their learning experience exponentially. The classrooms are large, spacious and well equipped to meet the basic needs of the students. Each floor is supported with hygienic washrooms.

Two synthetic international standard

tennis courts, a basketball court, two volleyball courts, a throw ball court and a cricket ground. It not only serves as the physical training area for the students to be fit but also brings out the spirit of sportsmanship among all students.

Many trees are planted around the school to make it environment friendly and cultivate 'green habits' among the students. A sheltered outdoor auditorium and an indoor auditorium

cater to the cultural events. Being secular in nature, the school respects all traditions by celebrating the festivals of every community.

The multifarious laboratories for every subject are positioned in convenient spots across the campus which can be accessed and used by all the students. The laboratories are provided with advanced equipment to stay on par with the global needs. JHPS is highly tech savvy and has three computer laboratories that are used by the students. Technology used in other parts of the school includes the biometric system, School Administration Software & CCTV cameras to ensure proper surveillance. The school has procured state of the art projectors, I-boards to help the

students excel academically. The Online Academic software is used to help the students revise and to provide them with educational and interactive videos.

AUDIO VISUAL STUDIO

The futuristic Audio Visual Studio with all modern day facilities, endeavour to enhance and create a vibrant learning atmosphere. The Audio Visual Studio is fitted with side speakers and

center speaker and a large sub woofer, DVD player, powerful amplifier and a good set of mike system with recording facilities. The soundproof control room monitors and assists with the technological backup.

Video lessons by teachers are recorded in the Audio Visual Studio for reiterating of the concepts taught by streaming into the classrooms.

LIBRARY

Our school has a very spacious library with systematically organized books for easy access, with computer and internet resourcing the teaching, learning process.

The library is fully stacked with thousands of books and CD's coupled with an AV room where students can watch educational films. The entire library is fully automated. The computerized catalogue (OPAC) which saves the time of teachers and students is made available on the intranet.

LABORATORIES

The school has well equipped Science, Social Sciences, Mathematics and Language which compliment the class room teaching. The two English Language laboratories aim to enhance the proficiency in Spoken English through activity-based learning. The Laboratory organizes a host of contests right through the year to promote confidence-building and personality development. The teachers and students make sure that the three fully air conditioned computer laboratories are well utilized to meet the technological advancements.

Art is the way of life and to cater to these needs of the students, our school started the Arts, Crafts, Dance and Music laboratories.

MAGAZINES AND NEWS LETTERS

The school runs the annual 'Ascent Magazine' which provides information about the programmes conducted and organized by the school. Special sections of the magazine are dedicated to poetry, literature, paintings, sketches and portraits all done by the students themselves.

The 'Hillside News' is the half yearly newsletter that keeps the students and parents informed about the happenings in the school.

SOCIAL RESPONSIBILITY

- As a responsible and compassionate institution, the school has been providing scholarship for the economically backward students.
- As part of its Corporate Social Responsibility our students visited the Zilla Parishad High School at Goplapuram village, Shankarpally Mandal to distribute the school kits to the students to inculcate the value of serving the needy, through community development programme - **Youth for Seva.**

To improve professional competency and to keep the teachers abreast of the modern trends in Education, the school conducts In-service Training Programmes for the teachers apart from other seminars and workshops to ensure the teachers receive the best possible training. This training is rendered to our teachers through The Jubilee Hills Skill Development center for them to keep themselves abreast of the latest changes in educational technology and pedagogy to deal with the 21st century students.

INSERVICE PROGRAMMES

AWARDS

The school houses a large collection of shields and trophies from various competitions at the International,

National and State levels. In recent years, due to the continued efforts of all the stake holders, the school has been awarded many prestigious titles. The school has been ranked No. 1 CBSE School in Hyderabad and was awarded for its use of ICT in the School's Management System by the

Digital Learning Magazine for its reputation, academic performance, teacher competence, student development, infrastructure, sports and extracurricular activities. The prestigious educational magazine, Brainfeed ranked JHPS among the top 20 CBSE schools of Hyderabad after an intensive and exhaustive survey based on a school's pedagogic practice, culture, core values and management. The magazine also awarded the school for 'Best Pedagogical Practices and Quality Education'. The school won the 'Outstanding School South Award at the Indy's Educational Awards and the 'Best School in Andhra Pradesh' title at the Asia Education Summit. The Education World ranked Jubilee Hills Public School as the 71st Best School in India and bagged the 1st place for the Best Schools of Hyderabad – 2015, by a recent survey conducted by Asia's premier magazine, DIGITAL LEARNING.

ALUMNI

The Alumni meet every year and share their memories and experiences with teachers and friends.

ABDUL KALAM'S VISIT

His Excellency Dr. A. P. J. Abdul Kalam, the then President of India visited JHPS in 2005. His visit was greeted

with excitement and enthusiasm by the students and teachers alike. Dr. Kalam delivered an inspiring speech to the students of various schools and made everyone take an oath that they would be honest and fight corruption and embrace secularism. He inspired the children to master their fears and hardships.

The Management, teachers, parents, alumni and students have always worked together as a team to bring the school to its current respected reputation. It has overcome every hurdle to become one of the best. With many feathers in its cap, it inspires success in every aspect of education and will surely do so for eons to come.

JUBILEE HILLS PUBLIC SCHOOL NEW BRANCH AT RAMPALLY

**Offers admissions for Classes : L.K.G. – V
FROM ACADEMIC YEAR: 2016-17**

**City office: Plot No:46, G- Block colony,
A.S. Rao Nagar, Hyderabad.**

Ph: 95 15943805

Email: info@jhpsrampally.com

The Jubilee Hills Education Society started its first school thirty years ago at Jubilee Hills by the name Jubilee Hills Public School. This inspirational journey continues...

Digital technology has revolutionised education and it was felt that the wifi generation of the 21st century will only relate to a tech savvy school, similar to the present school. Hence a second school with a six acre campus spread over lush green meadows at Rampally, near ECIL, Hyderabad was envisioned. The new full fledged campus will presently cater to classes LKG-V adopting the philosophy of 'Tradition and Technology'. The JUBILEE HILLS PUBLIC SCHOOL at Rampally will become operational by June 2016 with the campus becoming functional by the end of April 2016.

Being veterans in the field and continuing the legacy of spreading education; JUBILEE HILLS PUBLIC SCHOOL Rampally will render its services to the students residing in the neighbouring areas like Singapore city, Sainikpuri, A.S. Rao Nagar, Kushaiguda, Dammaiguda, Bandlaguda, Keesara, Moulali, etc.

The school envisages providing the best opportunities to students in its

endeavour to make them responsible citizens of tomorrow by developing their holistic personality. Learner engagement will be given utmost importance with hands on experience in the laboratories exclusively for languages and other subjects. The emphasis will be laid on Spoken English language skills to accommodate the growing demand for excellent communication in the global village.

The spacious 650 s.ft. classrooms will be provided with internet, intranet, I-boards, projectors and computers. The indoor Auditorium will serve as a

platform for the students to explore and demonstrate their talent. A large playground with Tennis, Cricket and Basket ball courts will ensure a physically fit regimen for students as well as prepare them for competitions.

Locker facilities for students to store books will ensure reduction of bag load. The school will provide an optional transport facility to the students on all working days in fixed routes. The library with modern amenities spread over an area of 2600 s.ft. will be kept open even during holidays.

It is accepted that a well rounded education is the gateway to personal success. It sets students on the path to lifelong learning that enables them to succeed in a changing world. Through education, individuals can expand their minds and embrace new ideas and opportunities and at the same time, build better lives for themselves and their communities.

Quality education cannot be imparted unless the educators are empowered to be tech savvy and well versed with the latest pedagogical practices. One of our key focuses is on faculty development to enhance excellence in academics and also inspire confidence and trust in the students.

We have made our mark and left an indelible impression in the field of Education. With this goal fulfilled, the school forges ahead into the future with dreams of accomplishments yet to be fulfilled.

DUSSEHRA

Jubilee Hills Kindergarten School celebrated Dussehra Special Assembly on 9th October, 2015. The programme started with a traditional prayer song 'Ayi Giri Nandini', followed by a speech on the importance of Dussehra. Children enthralled the audience with their wonderful dance performances to Bathukamma and Dandiya tunes. The programme concluded with a Power Point Presentation emphasizing the significance of Dussehra.

The Principal, Ms. M.Varalakshmi, the Academic Director, Ms.G. Sree Devi and the Primary Head Mistress Ms. Sonia Nagpal graced the occasion. It was an unforgettable experience for the tiny tots.

Dandiya Dance

Bathukamma Dance

Sankranti Vachindi Dance

PONGAL CELEBRATIONS

The harvest festival, Sankranti was celebrated by Jubilee Hills Kindergarten School on 8th January, 2016.

The programme started with a prayer song. This was followed by a pooja performed by the dignitaries on the stage. The stage was colourfully decorated with a floral rangoli. Children spoke about the importance of the festival in English, Telugu and Hindi. They dramatized the rituals of Pongal - Bhogi, Makara Sankranti, depiction of Basavanna and Kanuma in traditional attires. Students performed vibrantly to the tunes of "Sankranti Vachindi" and "Subharambh".

The programme concluded with the dignitaries and parents blessing children by showering "Bhogi Pallu".

Diwali Aayi Re Song

DIWALI – THE FESTIVAL OF LIGHTS

Diwali marks the victory of good over evil. Deepawali or Diwali is certainly the biggest and the brightest of all the festivals. It is popularly known as the festival of lights.

Diwali was celebrated with great joy in JHKS on 5th November, 2015. The programme commenced with a song on Goddess Lakshmi. The children of LKG and UKG spoke about the significance of the festival. This was followed by a song 'Diwali Aayi Re' sung by M. Kodanda Ram Varma of UKG - A which was truly melodious and captivated the audience.

The colourful Power point presentation on 'Safe Diwali' enlightened the audience by highlighting safety concerns. This was followed by a talent show where Aaradhya Gupta of LKG - C was asked to spell a few words and also guess a word that was spelt. Last, but not the least, a dance related to Diwali was performed.

The programme came to an end with a wonderful dance performed by the teachers for the children in celebration of the upcoming 'Children's Day'.

The day encompassed mesmerizing and colourful performances.

CHRISTMAS

Jubilee Hills Kindergarten School celebrated Christmas on 23rd December, 2015. The programme started with a speech about the importance of Christmas. Christmas carols like "We wish you a Merry Christmas", "Santa Claus is coming to town" etc. were sung by the students. Students danced merrily to the tune of "Every move I make". The Mini auditorium was decorated beautifully with a Christmas tree and coloured balloons. The programme came to an end with the children dancing for the "Jingle bells" song. It was an unforgettable experience for the tiny tots.

Santa Claus

FIELD TRIP TO KBR PARK

Field trips bring joy to students and provide them with valuable learning experiences outside the school environment. It opens the eyes of students to the outside world and teaches them moral values and life skills. The students of JHKS visited KBR Park on 4th December, 2015 and had a good time.

The children explored the lawns and gardens of the park. They learnt about many trees that grow in the park such as the neem, tamarind, bamboo, custard apple, etc. The sight of the peacocks left the children awestruck.

Later, the children walked through the park merrily. They watched an informative video about the flora and fauna of the park.

The students learned a great deal about nature. They learned to respect, love, cherish and embrace it. They understood that they are a part of nature and they need to look after it.

Tiny Tots hand in hand with Nature

MASTERWORK

Acultural show 'The Masterwork' was organised on 7th November, 2015 for the Parents of UKG E & F.

The programme started with a prayer song. The Headmistress welcomed the gathering. She mentioned that the programme is organised annually to bring out the innate talent in every student and give them a stage to exhibit it.

A short film on Art was enjoyed by the parents. The consecutive dance performance brought everyone to their feet. The tiny tots exhibited immense talent with aplomb. They recited poems and sang songs, entertaining the audience with their adoring charm. They later painted the picture of a peacock together and it was a sight to marvel at.

This day was also celebrated as 'Green Colour Day' where the students decked themselves in costumes of green vegetables and fruits. A brilliant performance depicting Lord Shiva captivated the audience.

The parents enjoyed the show and were amazed at the presentation put up by their little ones. They thanked the Management and teachers for nurturing the talents of their children. Parents' Day remains a day to cherish and remember forever.

Zumba Dance

THE WONDROUS WILD

Acultural show 'The Wondrous Wild' was organised on 2nd January, 2016 for the Parents of LKG – B & C.

The programme started with a prayer song. The Headmistress, Ms. Sonia Nagpal welcomed the gathering.

A video was shown to the parents, where the children spoke about different animals and birds. Mahek. V of LKG – C welcomed the gathering. The events for the day included a song titled, 'It's a Beautiful Day', an informative speech on the colour yellow, Vibrant Animal Alphabet Song and enthralling dances on 'Beautiful Nature and Zumba.

The Chairman Sri. A.Murali Mukund appreciated the efforts of students and teachers for putting up such a wonderful show. He urged the parents to inculcate in their children values like respecting teachers, elders and the rest will be taken care of by the teachers. The President Sri K. Krishnadev Rao appreciated the programme reiterating that JHPS is comparable to the best schools in The United States. He said that the main purpose of the programme is that all the kids should perform on stage. He thanked all the parents for being a part of the programme. The parents felt very happy to see their children perform on stage and appreciated the efforts put in by the teachers and the initiative taken by the management to organise such an event.

The programme came to an end with a vote of thanks proposed by Y.Niharika of LKG – B.

SYMPHONY A DELIGHT TO THE SENSES

Red Day

Aspectacular and sprightly show 'Symphony' was organized on 21st November, 2015 for the Parents of UKG – G & LKG – A.

The programme started with a prayer song followed by welcome speech by the Headmistress Ms. Sonia Nagpal. The main aim of the programme is to exhibit the hidden talents and skills of each and every student and to give

Puppet Show

them an opportunity to perform on stage.

Abhinav Chilamkurthy, a student of UKG, welcomed the gathering. A video on 'Music and Dance' expressing the views of the children was shown which

Group Song

was followed by Akshat Sinha, speaking about music and dance. A song 'I am the Music Man' was sung and was appreciated by the audience.

Red Colour Day was also celebrated on the same day. Gagan Supreet of LKG-A spoke about the significance of the colour red. A puppet show related to the colour red was presented by Hem Sai of UKG-G. Dances were performed by children on the theme colour. 'Let's Start Jump' and 'Lord Ram' were a few dances which were extremely colourful, lively and mesmerizing. The audience were thoroughly captivated and enticed by the show put up by the tiny tots.

Group Dance

SERENITY

Jubilee Hills Kindergarten School celebrated 'Serenity' – Parents' Day of LKG D & E on 23rd January, 2016 in the school premises.

The President, Sri. Krishnadev Rao, the Chairman, Sri. A. Murali Mukund, the Principal, Ms. M.Varalakshmi, the Academic Director, Ms.G. Sree Devi and Pre-Primary & Primary Headmistress Ms. Sonia Nagpal graced the occasion.

The event started with an auspicious prayer song sung by the tiny tots. The Headmistress, Ms. Sonia Nagpal addressed the gathering. She said that the school always strives to teach the tiny tots to value people and relationships right from a young age. She expressed that respecting each other's opinions and views gives pleasure. She compared the children to a slate saying that whatever we write on it, stays for a longer period. She concluded by reiterating that

Mera Hindustan

the students and the teachers have worked really hard, requesting the parents to encourage the students by applauding their performances while they are on stage.

The programme began with a welcome speech by Akhilesh Puppala of LKG, followed by a captivating video on 'The Search of Peace' which demonstrated that we are one and we share and care for each other. The audience were mesmerized by the dance performance on the 'Lollipop Song'. The Blue colour day was also

Hip Hop

celebrated where the children sung on "Blue Spells Blue". The event continued with a dance on 'Heal the World'. Children shared a few amazing quotes on Peace. Dances on 'Animals in the Ocean' and 'It's time for Hip-Hop' were colourful and liked by everyone. The programme came to an end with V. Stuti of LKG proposing the vote of thanks.

Parents too shared their views and expressed their happiness on seeing their kids on the stage. They felt it was the best experience of their lives.

Dance on Peace

Song on Health

THE FINE FETTLE

A cultural show 'The Fine Fettle' was organised on 20th February, 2016 for the Parents of LKG F & G.

The Chairman, Sri. A. Murali Mukund, the Principal, Ms. M.Varalakshmi and the Academic Director, Ms. G. Sree Devi graced the occasion.

The event started with a prayer song by the tiny tots. The Academic Director, Ms.G.Sree Devi welcomed the gathering. She said that the main objective of the programme is to make children confident and prepare them to face the challenges of tomorrow.

Miss Ramona Singh of LKG gave the welcome speech. This was followed by a captivating video on 'Health' through

which the children spread the message on how to keep oneself healthy and happy by doing yoga, exercises and eating healthy food.

The event continued with aerobics dance on the song 'Twist and Shake' where the children shared the secret of keeping oneself fit. 'Tete – a Tete' an interview was conducted by the kids where they posed questions to the parents related to health.

Aerobics

Pink colour day was also celebrated where children enthralled the audience by dancing to the song 'I like pretty pink princes'. One of the students gave a speech and presented a song on the colour pink. The students individual art work on fruits and vegetables was also displayed. The programme came to an end with a vote of thanks given by Siya Anuj Gupta of LKG .

The Chairman, Sri. A. Murali Mukund appreciated the performance of the children and the efforts of the staff in putting up such a wonderful show. He expressed that this kind of foundation is essential for students which would help them face interview in future. Parents shared their views and appreciation and were very happy seeing their little ones on the stage.

Dance on 'I Can Dive'

GRADUATION DAY

'Indradhanush' Graduation Day of Jubilee Hills Kindergarten School was celebrated on 18th March, 2016 in the school premises amidst a lot of emotions and grandeur.

The Pre-Primary and Primary Head Mistress, Ms. Sonia Nagpal welcomed the gathering. The Chairman, Sri A. Murali Mukund congratulated the children on completing their foundation years of education successfully.

Children in their black graduation gowns received the certificates from the Chairman, Sri A.Murali Mukund and the Principal, Ms. M. Varalakshmi.

The railways are a network to connect and bind people. Keeping this motto in mind the students of Kindergarten vivaciously presented a thematic display of various activities in the form of a train.

The series of programmes had many colours to unfold which started with a dance on "Indradhanush" followed by the Graduation Song. Students sang a song on Graduation explaining the love and affection they have for the teachers. Students of UKG shared the experiences of their two year journey in the Kindergarten School and expressed it as a stepping stone of their dreams. Gracias dance, Hoedown dance, Bhangra and Salsa dances performed by the students mesmerized the audience as they were full of vigour. Children enacted a skit on "Bhakta Prahalada" which was appreciated by all. The sloka recital by the students and dance on Bharata Kandame Na Desam which brought spiritual and patriotic fervor amongst the audience.

The programme concluded with the Vote of Thanks

The Art and Book Exhibition

An Art Exhibition along with a Book Fair was conducted on the Open House Day i.e. 10th October, 2015. Many parents and children turned up to view and admired the efforts put in by the children. The art exhibited a variety of styles, varying from sketches to portraits to abstract. The exhibition involved the audience and was thoroughly appreciated by all. The book fair was undoubtedly an enjoyable event. Books from different genres ranging from reference and education to mystery or fantasy fiction managed to grab the attention of both young and old alike. The main objective of the fair was to inculcate the habit of reading in each and every student. The book fair and the exhibition kept up to the high spirits of the students and etched a smile on every face present there.

Dussehra - A Celebration of Victory over Evil

Dussehra was celebrated on 14th October, 2015 to commemorate the victory of good over evil. It was celebrated with great enthusiasm and vigour.

The students spoke on the significance of the festival and the way it is celebrated throughout the country. The mesmerizing performances enthralled the children. To invoke the blessings of Goddess Durga, a dance was performed by the students.

The series of cultural programmes included a song on 'Maha Durga' that captivated the audience and beautifully brought out the importance of the day. The show stopper of the day was the dance-drama which depicted the nine forms of Durga. The story of Ramayana was also depicted in the form of a dance by the Primary school students in a graceful manner.

PARENTS' DAY

Parents' Day is celebrated on 4th Sunday of every July. This day is marked by a grand celebration. It is a day for the children to make their parents feel how grateful they are for having such lovely parents. Children take effort to thank their great parenting, which has shaped up their life in such a beautiful way. On Parents Day, they try to adopt every method with which they can make their parents feel proud and convey their feelings.

The Cosmos - A Spectacle of skill and talent

A spectacular show 'THE COSMOS' based on conserving and saving the planet Earth was conducted on 21st November, 2015. It showcased the skill and talent of each and every student of Class III.

The Primary Headmistress, Ms. Sonia Nagpal welcomed the gathering and asserted that the students of Class III would highlight the fact that the

earth gives us plenty of resources which are being misused by us and how we could protect them.

The students started with a welcome dance to invoke the blessings of Lord Ganesha. The show exhibited performances on the five elements of Earth, the evolution of Man, and the interdependence of plants and animals to maintain the ecosystem. All the performances were exemplary.

The Academic Director, Ms. G. Sree Devi spoke a few words on the importance of food in our life and educated our children not to waste it.

The President of JHES, Sri. K. Krishnadev Rao motivated the children

to implement the value of 'Live on Less' and not to waste the resources of nature and take steps to conserve our planet Earth for future generations.

Sri. Harischandra Prasad, the Joint Secretary of JHES urged to the parents and teachers to ensure that children should put into practice this valuable learning of keeping the environment clean and green.

The parents of Class III were overwhelmed with the performances of their children and all of them said that it was a wonderful programme. Some parents expressed their heartfelt thanks to the teachers who were responsible for motivating their children to come up with such a wonderful programme.

The Rhapsody - A Class I Spectacle of Skill and Talent

The students of Class I participated in a spectacular Parents' Day show, 'THE RHAPSODY' on 6th February, 2016.

The programme started with a welcome dance invoking Goddess Saraswathi.

Children enthusiastically portrayed their knowledge on the various aspects of life, safety at home and school, table manners, travel etiquettes etc .The audience was enthralled with the stunning performances and compering of the children.

The Primary Headmistress, Ms. Sonia Nagpal welcomed the gathering and explained the theme of the show. She mentioned that the students of the school are nurtured

Blessed Birthday

Paradise on Earth

socially, emotionally and intellectually are taught ethics, life skills and much more beyond the curriculum.

The parents left no stone unturned by participating in singing the traditional songs and left a mark on their children for the future.

The Chairman, Sri. A. Murali Mukund appreciated the confidence and co-ordination among the children and advised the children to use technology sparingly till Class V.

The President, Sri. K. Krishnadev

Rao commended the parents for the participation and said that the parents singing traditional songs reassured him that children were being taught good things at home. He encouraged the parents to do their part in keeping traditions and value systems of India alive.

The parents of Class I were overwhelmed with the performance of their children and many of them expressed their appreciation reiterating that it was a wonderful programme.

Prize winners with the President, Sri. Krishnadev Rao

Competitions bring out the best in a person. Competitions always encourage one to go beyond the ordinary. To develop the innate qualities of students, the school organized a preliminary round of 'Talent Hunt' in the month of July. The final round for the various competitions which included Essay writing, Recitation, Pot Painting, Quiz, Dance etc was held from 7th to 9th November 2015. The students participated with great immense gusto.

The prize distribution ceremony was held on 9th November. The President Sri K. Krishnadev Rao and Joint Secretary Sri T. Harischandra Prasad gave away the prizes to the winners. Speaking on the occasion, the President Sri K. Krishnadev Rao encouraged the students to utilize the opportunities provided by the school to show their talent. He also said that they should concentrate on their studies at the same time as school is not all fun and play. Overall the event was an enormous success and the students participated with real zeal.

Adhyayan –Book Week

The knowledge fest

"Life is like a book, some chapters sad, some chapters happy and some exciting but if you never turn the page; you will never know what the next chapter holds."

- Sir Richard Steele.

Adhyayan - the knowledge fest was conducted from 16th Nov to 20th Nov, 2015 to read new books and to hone the hidden creative skills of the students. During the week, various competitions were conducted to motivate the students to read.

Some of these competitions were Recitation and Storytelling for the pre primary students, Storytelling for classes 1 and 2 students, Spell bee for class 3, Book Mark preparation for class 4 and Spinning a yarn (story telling) for class 5.

Winners of Book Review Competition

Book review competition

Along with this, a special assembly was also conducted on 23rd November, 2015 to culminate the week. The programme started with a Saraswati prayer followed by a skit which was performed by the 7th and 8th graders. Book reviews were presented by the 7th graders which encouraged the students to read more books. The librarian, Ms. Lakshmi gave the students some extremely helpful tips on developing reading habits. She suggested that the students should not waste their time by watching

Enjoying reading

television and instead read books that would strongly aid in developing their imagination, creativity and personality. For middle school, various competitions were held by Indus Solutions and prizes were given to the students as a token of appreciation for their performances.

The D.E.A.R (Drop Everything And Read) program was held on 18th November, 2015. This was done to motivate students to become voracious readers. Each and every person in the school premises thoroughly enjoyed reading for half an hour.

Books play an integral role of inculcating values in students which lends them a hand later in their lives to establish their mark in society.

Sai Samhitha K , Class IX

The 'Constitution Day'

Jubilee Hills Public School celebrated 'The Constitution Day' on 26th November, 2015 as per the CBSE directive.

India is the largest democracy in the world. After Independence, India chose to be a Democratic Republic. The Constitution of India is the supreme law of India. It is a living document, the permanent instrument which makes the government system work. It lays down the framework defining fundamental political principles, establishes the structure, procedures, powers and duties of government institutions and sets out Fundamental Rights, Directive Principles and the Duties of Citizens.

Dr. Bhimrao Ramji Ambedkar is regarded as the chief architect of the Indian Constitution. It was adopted on 26th November, 1949 but came into effect on 26th January, 1950.

The Principal, Ms. M. Varalakshmi administered the oath, the preamble of India to the students and teachers.

A poster making competition was held for the students of the school to mark the significance of the occasion.

'Math is Everywhere' Dance

Ganit Day

Mathematics may not teach us how to add love or subtract hate but it gives us hope that every problem has a solution. Mathematics has become an inseparable part of our lives. No matter where we are, Mathematics always plays a part.

Our school celebrated the GANIT- (GROWING APTITUDE IN NUMERICAL INNOVATIONS AND TRAINING) week an initiative by the CBSE to commemorate Srinivasa Ramanujan's birth anniversary which is celebrated from 16th December, 2015 to 22nd December, 2015.

As a part of this celebration, many competitions based on Math like Origami, Quiz, solving the Rubik's cube, etc. were conducted. Children participated with great zeal and enthusiasm and exhibited their talent.

A special assembly was also conducted on the same day. The students of class IV presented a dance on the theme 'Math is everywhere.' The rules of divisibility were explained to the audience in a lively manner by the students of class VI in the form of a dance performance. Students of class VI and VII worked together to perform a skit about the invention of triangles and squares.

The Principal, Ms. M. Varalakshmi, in her address said that students should practice Mathematics to become proficient in the subject.

The Head of the Mathematics department, Ms. Prashantha Sandhya spoke about how the school facilitates the development of the students' mathematical skills through various workshops and competitions. The day concluded with the winners being awarded.

The resounding success of the celebrations is the outcome of the tireless efforts put in by the students and the Math Faculty in order that the students overcome their fear of the subject.

Yayati Charitra

Jubilee Hills Public School celebrated its Annual day in the school premises on 28th November, 2015. Sri. Anjani Kumar, IPS Additional Commissioner of Police, Law and Order, Hyderabad was the Chief Guest for the day. He was accorded a warm welcome by the President, Sri. K. Krishnadev Rao, the Chairman, Jubilee Hills Public School Sri A. Murali Mukund, the Managing Committee members, the Principal, the Academic Director and NCC cadets. The programme started with the Swagatham song.

Speaking on the occasion, the Chief Guest, Sri. Anjani Kumar said that the students who are the future of the country have tremendous potential and an ocean of energy that should be channeled in the right direction. He advised the students that their deeds should make their family, neighbourhood, school and country proud.

The Principal, Ms. M. Varalakshmi welcomed the gathering and spoke about the school's academic and sports achievements. She further added that the motto of the institution is not only to excel in academics but also to provide a platform for the students to rise to their potential in all the fronts of life with a holistic development.

The Secretary of Jubilee Hills Education Society and Chairman of Jubilee Hills Public School Sri. A. Murali Mukund in his speech said that it was because of the relentless efforts of the management, parents and teachers that the school has reached the pinnacle of glory.

The Academic Director, Ms. G. Sree Devi addressed the gathering and emphasized that efforts make a man perfect. She added that intelligence, capabilities and efforts are the essence of a true student in an institution. She also spoke about the various awards being given to the students.

The awards like the School Topper awards (AISSE & AISSCE), Subject topper awards, were given away by the Chief Guest Sri. Anjani Kumar, IPS to the outstanding students to acknowledge their achievements.

The President, Sri. K. Krishnadev Rao gave the Best All-rounder award, Best Girl, Best Boy and Scholarship and Special Talent awards.

The Chairman, Sri. A. Murali Mukund gave the School General Proficiency awards. Prizes were also given to the teachers who had 100% attendance during the academic year.

The cultural programmes enthralled the audience. The melodious music, dances and skits mesmerized the audience. The function was attended by the managing committee members, parents, alumni, people from press and media and other dignitaries. Everybody appreciated the performance of the role of Hanuman by M. Sandesh of Class VII in the Telugu skit Yayati Charitra.

‘YOUTH FOR SEVA’ Community Development Programme - A Service for Fellow Beings

“Be the change you want to see in the world”

Helping others is a quality that should be inculcated in the children of today. A community development programme gives way to such thoughts and makes the lives of the deprived happier and healthier.

Keeping this in mind, 65 students from classes 8,9 & 10 along with two teachers visited Zilla Parishad High School, Goplapuram village, Shankarpally Mandal on 9th December, 2015 to inculcate the value of serving the needy, through community development programme.

This program has been initiated by the School Management as part of Social Responsibility.

The JHPS students were welcomed warmly by the Zilla Parishad High school authorities and the children.

The programme started with the welcome speech by the Head Master of the school, Mr. D. Anjaiah followed by the cultural programmes presented enthusiastically by students of both the schools.

Then the Gram Panchayat Sarpanch Smt. Konte Yadamma, Upa Sarpanch, Mr. Tonde Ravi, Mandal Educational Officer, Syed Akbar, Village Education Committee Chairman, Mr. Cheera Guttaya, extended their warm welcome to the students and the teachers of our school.

In addition to the cultural event by the JHPS students, there was a Speech on Community development in Telugu.

Students of our school interviewed the students of the Zilla Parishad High School, the Sarpanch, the villagers and the farmers about Agricultural Practices and Social issues. The interactive session helped our students identify various problems faced by them.

After the interaction, the students distributed the school kits to the students of classes 1-7 who were elated to receive it.

Students of JHPS, through this visit were able to understand the problems faced by the villagers and also promised to serve the needy.

This programme was also supported by the media. Reporters from TV 5 covered this programme to encourage the youth in organising many such programmes in future.

We also thank our Parent, Mr. Konda Srikanth who coordinated for the programme.

Alumni Meet – RETRACE

The Annual Alumni meet 'RETRACE' was celebrated on 26th December, 2015. Students of various batches participated in the event and took a trip down the memory lane.

The day's programme had a lot of exciting events lined up to elevate the nostalgia. Cricket, tennis, football and basketball matches were organized for the members of the Alumni Association.

The programme started with a welcome speech by the President of the Alumni Association, Mr. V. Seshagiri. He extended his heartfelt thanks to the Managing Committee Members for extending unconditional support and co-operation in organizing the event. He stated that the Association should meet once in three months.

The Academic Director, Ms. G. Sree Devi congratulated the alumni and appreciated the work done by them Ms. G. Durga, Secondary Headmistress and Ms. N. Lakshmi Sudha coordinated the Alumni Meet.

JHPS Alumni Association organized many cultural programmes which made the alumni go down memory lane. They really had a great time with their friends.

Opportunities for the Future - Career counselling

Giving young people the tools and knowledge to realistically plan for their future is the primary goal of education. Keeping this in mind, a career fair was organized for the students of classes X to XII on 8th February, 2016 by the KIC Univ Assist to help the students choose an appropriate career path. Sarah Macleans, a student of Class XI welcomed the delegates of the various universities from the United States.

Delegates from the Indiana University, Bloomington, Ohio University, University of California, Riverside, etc. briefed the students about their respective universities and many possible careers in today's world. They spoke about the various factors that are required to enroll into the college. The variety of courses helped expose the students to information they had never known before.

Later, the delegates assembled stalls and interacted with the students and attended to their personal doubts. They told them about the various eligibility requirements and application procedures. Mr. Rohit Kandhari from KIC Univ Assist engaged with the students and collected forms previously given to the students regarding their choice of subjects in college to help keep them updated on the further opportunities in the fields.

Aparjita Acharya, a student of grade XI thanked the teachers and the delegates for their guidance and opportunity to learn about career paths. The students left the fair more knowledgeable than ever and with a renewed passion for the future.

FIELD TRIPS

A field trip or excursion is a journey by a group of students to a place away from their normal environment. It is a highly beneficial trip where it helps them to learn by inquiring about information that interests them. The students develop “Technical Competency” by observing, collecting, interpreting, recording and evaluating geographic information from primary sources through field work.

Field Trip to NIRD (National Institute of Rural Development)

An Educational field trip to National Institute of Rural Development was planned by Jubilee Hills Public School for the students of Class IV on 6th January, 2016 in order to give them a practical knowledge about handmade eco-friendly products, small scale industries and make them understand the concept of renewable sources of energy. This trip was meant to bring awareness about mushroom

cultivation and apiculture technology. It was a very constructive and knowledgeable trip. The students witnessed eco friendly and biodegradable products like, the different types of houses made of low cost materials, bricks, dome house, stilt house, recycling paper machine and natural dyeing - cotton.

Students and teachers learnt about

the biogas plant and its functioning, solar energy centre, water harvesting technologies, vermicompost, bio pesticides and home based products.

Students really enjoyed watching the different processes and they took down extensive notes of each to share the knowledge with their friends. It was truly a learning experience for the students.

A Spectrum of knowledge

An Educational field trip to Birla Planetarium was organized by the school for students of Class VI on 25th August, 2015 in order to give them a practical experience of the things belonging to the Golden Era. The Science based mechanical projects enhanced their knowledge and piqued their curiosity. Models of the dinosaur made with the fossils of dinosaurs had them awestruck. The students also gained a lot of practical knowledge about the solar system, number system and the Milky Way and constellation. Overall it was an enriching experience for the students who gained in-depth knowledge about the wonders of Science.

R. Akhila, Class VI

Relics and Antiques

The students of class VII visited 'The Salar Jung Museum' on 5th December, 2015. It is the third largest museum in the country and is home to many antique and ancient artifacts from many epochs of history.

The children explored the 37 galleries, spread across two floors. The ground floor had 20 galleries while the first floor had 18 galleries. The exhibits were catalogued and displayed accordingly. One gallery displayed

Students witnessing Indian Artifacts

The Nizam's personal belongings, while another housed Indian artefacts; others displayed a plethora of items ranging from paintings and musical instruments to Kashmiri furniture and handicrafts as well as a multitude of other valued historical relics.

A bewildering array of clocks greets the visitors in the clock room. There is an ancient sundial in the form of an obelisk. Other clocks range from a miniature clock which needs a magnifying glass to imbibe its beauty and complexity to a stately grandfather clock from as far away as France, Germany, Italy, Switzerland and Britain.

It was an enchanting experience for the students as they came to know about the antiques from the ages through hands on experience to learn the fascinating subject of history.

Arya Bharath, Class VII

Deep into the Centre of the Earth

The school organized an Educational Field trip for the students of Class VIII on 3rd December, 2015 to the National Geophysical Research Institute (NGRI). Around 200 students were accompanied by 5 teachers for this enthralling educational field trip.

The trip commenced with a PowerPoint presentation by two scientist, who presented on two very

interesting topics which are; Earthquake hazard assessment and Groundwater management studies.

The first presentation was done by Ms. Shila Saha who gave simple yet informative facts on earthquakes and how they lead to a terrifying tsunami. The presentation also focussed on the various modern methods used to detect the seismic activity under the earth as well as under the ocean.

The next presentation was done by Mr. N. C. Mondal, who educated the students on facts about ground water and its depletion in the recent years. His explanation on the facts about ground water led the students to easily relate it

Students watching PPT on Tsunamis

to the current water scenario in the city.

At the end of both the presentations, the students were given an opportunity to ask questions and clarify their doubts.

It was an enriching and educational field trip for the children.

Gowri Tewari, Class VIII

NGRI Field Trip- Exploring the heights of excellence

The students of classes IX and X visited the National Geophysical Research Institute (NGRI) on 17th December, 2015. The scenic beauty around the institute truly enthralled the students.

The journey commenced at 8:30 a.m in the morning. We were welcomed by the esteemed geophysicists of the institute. We were escorted to a hall where we were shown a video about NGRI. We were totally blown away by the pinnacle that NGRI had reached with the full support of the Government of India. It was amazing to know that NGRI's work had spread to all fields including water conservation, micro-biology and of course, geophysics. After the

Interactive session

video, we were given a presentation on Tsunamis by Ms. Saha, one of the well known scientists of this institute on Tsunamis. After Ms. Saha, Mr. N.C Mondal gave a presentation about the water table. These presentations truly broadened the thinking of the students. We even had the privilege of seeing the working of an actual seismograph.

It was an unforgettable experience for the students who gained a lot of information which would help them make their mark on society some day in the future.

Ainesh Sanyal, Class IX

Christmas

Christmas an annual festival commemorating the birth of Jesus Christ is observed on December 25th, as a religious and cultural celebration among billions of people around the world. Christmas was celebrated in our school premises on 24th December, 2015.

A special assembly was conducted in which students spoke about the festival. The students from various classes sang Christmas carols. A play depicting the birth of Jesus Christ was also enacted. Students dressed as Santa Claus gave sweets to everyone present.

The Academic Director, Ms. G. Sree Devi spoke about the significance of Christmas. She said that Christmas was about spreading love and about caring and sharing.

The Principal, Ms. M. Varalakshmi wished the students a Merry Christmas and spoke about the importance of being generous.

The spirit of Christmas pervaded the air and everyone participated in the celebrations with great joy and enthusiasm.

Chief Guest's Address

Jubilee Hills Public School celebrated the 67th Republic Day with great enthusiasm and zeal. The Chief Guest, Sri. K. Krishnadev Rao, President, Jubilee Hills Education Society, the Chairman, Sri A. Murali Mukund, the distinguished Managing Committee members, the Principal, Ms. M. Varalakshmi, the Academic Director, Ms. G. Sree Devi, parents, staff and students graced the occasion.

The Chief Guest, Sri K. Krishnadev Rao, President, Jubilee Hills Education Society unfurled the National Flag.

The Principal, Ms. M. Varalakshmi welcomed the gathering and wished everyone on the occasion. In her speech, she said that a Nation's culture resides in its people. She said that we as citizens should strive to develop our country. She concluded by saying, "Stand United, be rededicated to the Nation and work for the Nation." She also announced that the Digital Learning magazine has declared Jubilee Hills Public School as the No. 1 school in Hyderabad.

The programme started with the patriotic song 'Mana Desam' performed by the students of classes V-VIII, that truly made us realize the importance and grandeur of our country.

The Chief Guest, Sri K. Krishnadev Rao in his speech wished everyone on the occasion and said that we should follow the rules of the land in order to become better citizens. He asked the students to step up when times are tough. He stressed on the fact that one should never be discouraged and hoped that the future would be wonderful. He told them about the various aspects and attitudes of the world. One of the aspects being technology. When it's in good hands, it's a good thing but in wrong hands, it's no less than a weapon. He eloquently spoke about the climatic changes, population, education, consumption and pollution which has drastically affected our world.

A dance by the students of classes VII and VIII mesmerized the audience and reinforced the beauty and diversity of

India. A variety of cultural programmes including patriotic songs, dances and the tableau on Rivers- The Pride of India. Events were also organized.

The teachers and students who excelled in their performances in the Annual day were awarded with a cash prize by the Chief Guest, Sri.K. Krishnadev Rao, President, Jubilee Hills Education Society. The award for the Best Skit was given to "Yayati Charita" in Telugu, the teacher incharge was Mr. Pradeep. The Best Dance award was given to Sensu, The Fan Dance, the teacher incharge was Ms. Roopa. The award for the Best Performer- Boy was given to M. Sandesh of Class VII for the Role of Hanuman in the Telugu Skit.

The award for the Best Performer-Girl was given to Lisa Khuntia of Class IX for the Role of Crocodile in Hindi Skit- Panchatantra Returns.

The Chief Guest, Sri K. Krishnadev Rao gave away the prizes to the winners.

Tribute to Sri Thyagaraja

Rich tribute was paid to Saint Thyagaraja, one of the greatest composers of carnatic music as Jubilee Hills Public School celebrated the 'Thyagaraja Aradhanotsavam' on 30th January, 2016.

Devotion and dedication was in full view as parents, teachers and students paid their tributes to the saint who attained heavenly abode on Pushya Bahula Panchami day in 1847.

The programme started with the ritual of Thyagaraja procession followed by 'Sri Ganesha Keerthana' by the students and the music teachers. The Principal, Ms. M. Varalakshmi and the Academic Director Ms. G. Sree Devi lit the lamp to invoke Lord's blessings.

Thyagaraja Kirtanalu 'Manasa Sancharare', 'Seethamma Mayamma', 'Gata Moha Sritha Pala' on veena, and 'Samaja Varagamana', were rendered by both the students as well as the teachers. The programme concluded with 'Jaya Mangalam' to Sri Thyagaraja.

The Principal thanked the Music Department, students and teachers for continuing the legacy by presenting such a wonderful programme.

Vigilance Awareness Week

Vigilance Awareness Week

In commemoration of Sardar Vallabhai Patel's birthday, a Vigilance Awareness Week was observed in the school. Various competitions like Essay writing, Poster Making and Elocution for the different grade levels were organized in the school premises during the month of October by Reserve Bank of India. The school organized CBSE drive towards preventive vigilance as a tool of Good Governance which was explained in the School Assembly. Charts with slogans were put up all around the school to bring awareness amongst the students which helped them to think and reflect on the evils in society. Students were given an opportunity to suggest ways to put an end to the corruption prevailing in the various sectors.

On 30th October, 2015 a Valedictory function was held at the Reserve Bank of India office in Hyderabad. Aparajita Acharya - XI, Mohd. Wael and K. Shreya Chandrika- XII were awarded a cash prize of Rs. 2500/- for First Prize, Rs. 2000/- for Second Prize and Rs. 1500/- for Third Prize for Essay Writing competition. K. Sreya Chandrika's essay was selected for publication in the Newsletter of CVC.

Shivani Srivastava & Aishwarya.J, Class XII

Sreya Chandrika of Class XII (Commerce) won National recognition for her Essay Preventive Vigilance as a Tool For Good Governance conducted by Reserve Bank of India in October 2015. Her essay will be published in the Newsletter of Central Vigilance Commission. This competition was organized as a part of the events of Vigilance Awareness Week.

Mass Pledge Campaign

A Clean and Green India

Jubilee Hills Public School conducted a Mass Pledge Campaign as a part of 'A National Student Engagement Initiative for Swachh Bharat Mission' on 29th January, 2016 as per the CBSE directive.

The CBSE has joined hands with the Ministry of Urban Development to make all the students active stakeholders in making India clean.

The Principal of Jubilee Hills Public School, Ms. M. Varalakshmi administered the pledge on 'Swachhata' to the students during the Morning school assembly.

Students taking oath

A 'Swachhata Ambassador Committee' of students and teachers was set up, to oversee and monitor the cleanliness and hygiene in the institution.

Baby's Night Out

A'Baby's Night Out' for the children of classes I and II was organized on January 30th and 31st, 2016 in the school premises. Every year this exciting and adventurous camping experience binds the children with a feeling of sharing, caring and being friendly with their peers.

The tiny tots had packed all their basic things for a night out with their friends and came to school. They were warmly welcomed by the Head Mistress Ms. Sonia Nagpal and their teachers. The evening started with a magic show and medley and followed by a variety of rides such as 'Giant wheel', 'Merry-go-round' and 'Pony' rides. Children enjoyed the "Pot Making" activity the utmost as it was a hands on experience for the tiny tots. Lot of fun games were organized to entertain the little ones.

The students were served snacks in the evening. Later, they joined the evening's most awaited event 'Campfire' where they danced and thoroughly enjoyed themselves. After dinner, they watched a movie and chatted with their friends. Then the children listened to stories and a lullaby and went to bed along with their teachers.

The next morning, the children woke up listening to the 'Suprabatham' followed by jogging, meditation, and yoga. They were then served breakfast and given surprise gifts. The parents thanked the School Managing Committee for organizing the event.

Mr. JHPS and Ms. JHPS of Class X

Adieu – Class X & XII

The Awakening - “Every ending has a new Beginning”

‘The Awakening’ a precursor to the Farewell of Class X students of JHPS (batch 2015–16) was organized on 19th February, 2016 by Zamaan and Anvitha of class X. It was a well deserved break for the students from the stressful life to a trip down memory lane. They were shown their class photos from Kindergarten to Class X. Students had a fun time identifying their friends and themselves. There were also some nostalgic moments where the students enjoyed the mixture of sad and happy memories.

Sayonara – “ It’s time to say farewell”

Jubilee Hills Public School bid a fond farewell to the students of the outgoing batch of Class X and XII on 20th February, 2016. The programme commenced with a song invoking God’s blessings.

The farewell party was celebrated with a lot of enthusiasm and joy. It was an occasion for the outgoing students to recall and cherish the time they had spent in the school.

The Principal, Ms. M. Varalakshmi thanked the students for their contribution in making the school one of the best CBSE schools in India. She bid an emotional farewell to the

students and wished them good luck for the future.

The Academic Director, Ms. G .Sree Devi in her speech asked the students to remember what the school has taught them and cherish them for the rest of their life. She said that importance begins with ‘I’ and so students should focus on themselves.

A variety of cultural programmes were organized for the outgoing students by the juniors. The outgoing students expressed their deep love and gratitude towards their beloved teachers. They also shared the memorable moments spent with their classmates.

The highlight of the function was the crowning of Ms. JHPS which was bagged by D.C Kamala and Mr. JHPS by A. Arkesh of class X and Ruchitha. G and Mohd. Wael of class XII. The outgoing batches were given mementoes as a token of love.

Splashes of Joy

The teachers visited Palm Exotica, a beautiful resort near Chevella on 27th February, 2016. The visit acted as a stress buster that helped the teachers relax after the hectic schedule of the session.

They were welcomed with a refreshing drink. Despite heat, the teachers enjoyed the rides, swimming and the rain dance organized for them. The soothing music played transcended the teachers to a world of relaxation. This was followed by a grand lunch which was savoured by all.

The day came to an end with hot beverages served with snacks. The teachers returned home with their mind refreshed and rejuvenated. The teachers expressed their gratitude towards the management for their gracious gestures in organizing such a wonderful outing. It was a day well spent and cherished by the JHPS team.

Dramatics – An art of acting

We here at JHPS have collaborated with The Helen O’Grady Drama Academy this academic year to teach the art of acting for the students of classes IV and V. This programme aims to give the children the greatest gift possible “The ability to fully believe in themselves and their future in our world.”

Ms. Sarala Kumar, Dramatics Teacher

CBSE Master Trainer Training Workshop

A CBSE Training workshop to train Master Trainers for English Core Class XII was held at Pune on 29th and 30th October, 2015. The Academic Director, Ms.G. Sree Devi attended the workshop. The trainers for the workshop were Ms. Ruchi Sengar and Ms. Rajani.

The workshop identified Prospective Resource Persons to be used by CBSE. The workshop dealt with all the aspects of teaching English Core in Class XII. The Reading Skills, the Writing skills as well as the Literature and Novel were dealt extensively.

All extrapolative aspects as well as attempting the questions with the Board Examination perspective were discussed.

It was a very enriching experience to learn not only from the Resource Persons but also from peers of other schools.

Capacity Building Programme

A two day workshop "Capacity building programme", for class X - Mathematics teachers was conducted by CBSE Centre of Excellence, Pune at Lexicon International School on 18th and 19th November, 2015 by the resource persons Ms.Ishitha Mukherjee and Ms.Lakshmi Gandhi under the guidance of Mr.Manu Lal.G, Advisor (Training)

The two day workshop was attended by the Principal, Ms.M.Varalakshmi and Ms.P.Deepa of Mathematics Department.

The main objective of the programme was to simplify the teaching and learning of Mathematics for both teachers and students. Blooms Taxonomy is an effective tool which

can be used to reduce the difficulty level of the subject. To enable the students to improve in Mathematics, the previous knowledge of the student should be built upon and developed.

Constructivist approach which is collaborative in nature is an activity based learning which differs from the traditional approach. It ensures that the learner has gained conceptual understanding which leads to construction of knowledge.

As teachers, we need to build diverse classes since we cater to diverse group of learners. Hence it is an obligation to prepare a lesson plan incorporating strategies for diverse learners which will enhance students' ability to think and apply their knowledge. Gender Sensitisation, Evaluation topics were also discussed.

After attending this knowledgeable training the Principal, Ms.M.Varalakshmi and P. Deepa of Mathematics Department, conducted a two day workshop in Obul Reddy High School for 100 Maths teachers from A.P. and Telangana.

Dr. Manulal, Advisor (Training) CBSE - COE, Pune

Workshop on Gender Sensitization

Math department's skit on Gender Sensitization

A workshop on Gender Sensitization was conducted on 29th January, 2016 for the teachers by the Principal, Ms. M.Varalakshmi in Auditorium.

The objective of the workshop was to clarify the meaning of gender, foster gender awareness and gender sensitivity in our day-to-day life and unravel the interplay of gender relations and gender issues in classroom spaces.

The workshop emphasized on the importance of gender equality and how men and women enjoy the same rights and opportunities across all sectors of society, including economic participation and decision-making, and that the different behaviours, aspirations and needs of men and women are equally valued and favoured.

The workshop successfully enriched the teachers leading to the realization of the need to bring about a quantum change in the mindset which sees man as the bread winner and woman as the home maker.

Principal addressing the teachers

Teachers can promote gender equity and challenge stereotypes by giving examples to students for Eg: 'A female soldier' or 'A male nurse.' The students should also be made aware about the contribution of the females in the development of the society and how the two genders can co-exist.

The workshop concluded with 'Role Play' on Gender Sensitization by the teachers of various departments.

Workshop on Play Therapy

A workshop on 'Play Therapy' was conducted by Special Educators, Ms. Soghra Fathima and Ms. P. Rani for Pre Primary and Primary teachers on 2nd and 3rd March, 2016. The aim of this workshop was to introduce play therapy techniques with the teachers, which can be used at classroom level.

The childhood Psychology states that playful teaching is a child's basic need. Maslow, the famous child psychologist propagates Maslow's Theory of Needs, stressing the fact that 'play' is the key factor to meet the general and special needs of the students.

Group activities, energizers, play therapy techniques were demonstrated. The teachers were very excited throughout the programme as it continued to surprise them with various techniques. Teachers felt that these techniques can be implemented in the classroom as they help children focus and be attentive in the classroom. It was an interactive session and emphasized on cognitive and aesthetic development.

Play Therapy Techniques

Student Centric – Strategic Teachers Empowerment Programme

I – Team of JHPS (Intensive Teacher Enrichment Annual Matrix)

The aim of student centric STEP is to empower teachers and enable a better teaching-learning system in the school and make sure that the teachers receive good training to hone their skills and techniques.

The motto behind the Power Point Presentation Competition for teachers instituted last year, is to ensure that every teacher gets an opportunity to showcase their individual creativity and present it with confidence. The process of the competition is well thought out and planned. The objective was to motivate each teacher and co-relate the subjects with the help of interdisciplinary ideas.

The teachers were given the liberty to choose a topic and present it in the faculty meetings. The selected participants were given an opportunity to give the same presentation in the auditorium from 7th September to 15th September, 2015. Some of the topics were; Seasons, Indian Culture, Reading and Thinking, People - the Valuable Resource, Net Neutrality, etc. The in-depth research by the teachers widened their knowledge beyond their subjects.

This level paved the way for the interdisciplinary presentations by the selected teachers. The second round of Power Point Presentations started in the month of November for the winners of Round I. The theme for Round II was the multi-disciplinary approach to each topic based on different subjects. The topics allotted were; Should Internet and It's Content be controlled, Developed and Developing Countries, How to Be the Teacher of Tomorrow, Values and Present Education.

The topic for the final round of the ANNUAL TEACHERS POWER POINT PRESENTATION was "How to promote learning in the 21st century classroom" which was held in the month of January, 2016, where the selected teachers presented a paper on a topic selected by them on various methodology. This paper presentation took place in the midst of a panel of judges. The judges and the audience posed many thought provoking questions to the presenters, which were answered with proficiency and in depth knowledge.

Overall, it was an enriching and knowledgeable experience for all the teachers.

Finance Intermediaries Association of India (FIAI) workshop

A workshop on financial literacy, was conducted by "Arthik Gyan" was conducted on 5th October, 2015 for students of classes VIII to X. The workshop aimed to help the students for their future studies on finance. Mr. Madhukar, a representative of Karvy Learning centre, conducted the introductory session where he spoke about financial goals, budgeting and advantages of a bank.

A Powerpoint Presentation was shown by Mr. Nikhil, in which he elaborated on the advantages of insurance, benefits of investments with some examples. Additional information on financial planning and precautions on banking transactions were also given. The workshop enhanced the financial knowledge of the students.

The workshop concluded with a question and answer session followed by a test on Financial Education in India. It was truly an eye-opening session on finance and investments for the students.

Actuarial science

- The skill of analyzing the past and modeling the future

A session on Actuarial Science was conducted on 31st October, 2015 by Mr. Pankaj Kumar Tewari, Deputy Director, Insurance Regulatory and Development Authority of India. It was conducted to educate the students about a rare profession called Actuary. The session was about career opportunities available for an actuary- a person skilled in determining the effects of future contingent events or finance. An actuary can work as a consultant either individually or in partnership. He educated the students about the two top most actuarial science institutions in the US & UK. He also added that one can become an actuary at any time starting from Higher Secondary to Masters and even when you are employed somewhere else. He said that you just need to have impeccable knowledge in Mathematics and Statistics. The session concluded with Mr. Tiwari saying that a person becomes a good actuary when he achieves perfection in Math, excels in computer skills and takes pleasure in solving complicated problems and must also be self motivated.

Chaitna Koganti, Class X

Finance Literacy Test – Achieving the Unthinkable

A National Finance Literacy Test was organized by the National Center for Financial Education (NCFE) and Reserve Bank of India (RBI) in our school Premises for classes VIII to X. About 57 students had participated in the competition. These students underwent training classes which were conducted after school hours. The final exam was conducted on 28th November, 2015. The test was conducted at Nexwave Learning Pvt. Limited. It was an online exam where the students had to answer 75 questions within two hours. Chandra kiran Reddy Avula of class VIII won the merit certificate for securing 180th ranking all over India. There were a total of 500 merit places. It was an Educative Training where students learnt about money management, banking and insurance.

Chandra Kiran, Class VIII

Student Interactive session

An interactive session with the students of grade XI & XII was conducted on 20th January, 2016 by Ms. Sraavani Pere, the delegate of the United States – India Educational Foundation (USIEF) under the Education USA Programme.

She simplified the entire admission process, funding and other things related to education in the USA.

She gave us an idea about the process to obtain education in the USA. Her speech was very inspiring and motivated many students to consider the idea of studying abroad. She summed up the entire process which was beneficial to the students in one hour.

Alapati Mahita, Class XII

Dr. Srikanth Vemula addressing the students

Beating Exam Stress

Exams are pretty much always stressful. But it's completely possible to manage some of the stress that's brought on by exams if you use different strategies.

Keeping this in mind, a workshop was conducted for the students of classes IX and X by Dr. Srikanth Vemula, a leading Neurologist, on 15th February, 2016. The workshop was on Exams and some useful memory tips. He said that getting enough sleep, eating good and nutritious diet and doing regular exercise are some of the best means through which students can achieve good results.

Dr. Srikanth Vemula emphasized on the fact that student's need to develop new skills in order to balance academic demands with a healthy lifestyle.

It was an informative as well as an interactive session where the students were given an opportunity to clear all their misgivings and misconceptions.

M.Vishnu Priya, Class X

Intach Filmit Festival

FILM-IT is a multi-cultural project that aims at nurturing cultural understanding, care and concern amongst school children through exciting experience of making and sharing films. It helps the students to understand the world in which they live and the contributions made by different cultures and communities.

It is an exciting project initiated by INTACH (Indian National Trust for Art and Cultural Heritage) under which

students from various schools were motivated to showcase their city's culture through short films.

The Film fest was hosted at Jubilee Hills Public School, Hyderabad on 16th February, 2016 to showcase the short films made by the students of various schools. Ms Purnima and Ms Anuradha Reddy, Co-Convenor, Telangana Chapter, Convenor Hyderabad Chapter, organized the programme. The Chief Guest for the day was Mr. Pranav Pingle Reddy, a young film maker. Nine schools from Hyderabad participated in the festival.

The best films made by the students were screened on the occasion. These enlightened them about their city's culture.

Mr. Pranav Pingle Reddy, the Chief Guest gave some valuable tips on the art of film making. Followed by this was the prize distribution where our school won awards in the following categories- Best Film with the Message- 'Protect Rivers and Lakes.' and the Best Story Line- 'Deepavali Celebrations'.

B. Vishnu Vardhan and K M Srikar, Class IX

- V. Vineetha Swaraj of Class XII participated in Volley Ball Nationals Team DG NCC, New Delhi from 25th Nov to 4th December, 2015.

The beauty of books

'Adhyayan' - the knowledge fest (book week) was conducted at Jubilee Hills Public School from November 16-21, in order to inculcate the reading habit and hone the creative skills of students. Throughout the week, many competitions like Rhyme Depiction, Storytelling, Debate cum Panel discussion and Book Review were conducted for various classes.

A special assembly was conducted on November 20. The children of Pre-Primary and Primary welcomed everybody and emphasized on the importance of reading in the form of poem. The dances they performed were mesmerizing.

Academic director, G. Sree Devi, explained the difference between studying and reading and said that

reading is for pleasure and knowledge. Studying is fun too, but, it is tested. The children were asked to relate the characters from the books they read to known people which helped them in enhancing their vocabulary and retention.

The motivated children to become good readers. Riddles were asked and children were very prompt in answering. Prizes were given to the winners as a mark of appreciation.

M. Varalakshmi, principal, Jubilee Hills Public School

KALEIDOSCOPE OF EVENTS THE HINDU AND THE TIMES OF INDIA

Experiencing the serenity of life

Jubilee Hills Public School celebrated the 100th Anniversary of the formation of J.H.S. on August 20 at the school premises.

President Krishna Dev Rao expressed the joy of the students about the way of helping each other during the event.

The event started with an inauguration by the school principal, M. Varalakshmi, who addressed the students and staff members.

The event started with an inauguration by the school principal, M. Varalakshmi, who addressed the students and staff members.

The event started with an inauguration by the school principal, M. Varalakshmi, who addressed the students and staff members.

Observing our Constitution's Day

Jubilee Hills Public School celebrated Constitution Day on November 26, 2015 as per the 73rd Amendment to the Indian Constitution. The Constitution of India is the supreme law of India. It is the basic framework, the supreme instrument which includes the government structure, it is the source of power and authority for the political system, it defines the structure of the executive, legislature, judiciary, and the structure of government institutions and sets out Fundamental Rights, Directive Principles and the Duties of Citizens.

Celebrating the milestone of a year gone by

Jubilee Hills Public School celebrated their 100th Anniversary on August 20, 2015. The school principal, M. Varalakshmi, addressed the students and staff members during the event.

Parents get a glimpse of true talent

Jubilee Hills Kindergarten School celebrated the Masterwork - Parent Day of UHG E & F on the school premises recently. President of Jubilee Hills Education Society Krishna Dev Rao, principal M. Varalakshmi, academic director G. Sreedevi, academic coordinator Suresh Babu, secondary headmistress G. Durga and primary & pre-primary headmistress Sonia Nagpal graced the occasion.

The event started with a welcome address by Sonia Nagpal who emphasized that the main aim of Parent Day is to exhibit the skills and talent of each and every student on the stage. This would help them grow into well-informed, confident and responsible global citizens of tomorrow.

The programme began with a power song sung by the students. This was followed by a video on 'Art' where children expressed their views about different forms of art. A welcome dance presented by the children, was colourful. The unique dance on 'Single Art' saw the students paint a 'potluck'. All the speeches and songs on art were informative.

Along with 'The Masterwork', Green Colours Day was also celebrated. The students walked in various shades of the green colour, depicting animals and vegetables. The programme concluded with a

dance performance paying love to Shiva, which was appreciated by the audience. President Krishna Dev Rao, academic director G. Sreedevi and the parents appreciated the effort put in by the teachers and children. The programme concluded with a vote of thanks by Master Vasan.

A trip down memory lane

Jubilee Hills Public School celebrated their Annual school event 'RETRAC' on the 100th Anniversary of the formation of J.H.S. on August 20, 2015. The school principal, M. Varalakshmi, addressed the students and staff members during the event.

विद्यार्थियों ने मनाया दशहरा

दशहरा, 14 अक्टूबर - (विद्या मञ्च) जबकी हिन्दू धर्मिक स्कूल में 'दशहरा पर्व' का आयोजन किया गया। विद्यार्थीयों ने विद्यालय के सभ्य के कृतबर्धन राज ने विद्यालयी को 'दशहरा पर्व' की शुभप्रभात देते हुए शुभकामनाएं दीं। अक्सर पर विद्यालयी ने गीत, नृत्य और प्रस्तुत कर दशहरा के माता को बताया।

Dussehra at JHKS, Hyderabad

Jubilee Hills Kindergarten School celebrated Dussehra Special Assembly at their school campus in Jubilee Hills. Children spoke on the importance of Dussehra and various other activities were conducted. The kids enthralled the audience with beautiful dance performances.

Taking time out to exhibit our talents

Competitions bring out the best in a person. Competitions always encourage one to do their best. To develop the innate qualities of students, Jubilee Hills Public School organized 'Talent Hunt' in the first week of November. Many competitions like Recitation, Extempore, Quiz, Essay writing, Debate, Painting and Solo Singing, were organized. The students participated in the competitions with great enthusiasm.

The first round of competitions was conducted in July, 2015. A total of 1403 students from the primary section and 1163 from the secondary section participated in the competitions. Around 909 students from the primary section and 245 students from secondary and senior secondary sections were selected for the final round.

President K. Krishnadas Rao and joint secretary Sri T. Harishchandra Prasad gave away the prizes to the winners. Speaking on the occasion, the president asked the students to participate in all the activities and have fun as well as pay attention to academics.

Sri T. Harishchandra Prasad asked the students to utilize the opportunities provided by the school to display their talents.

A special assembly was conducted to celebrate Diwali on November 9, 2015. The students spoke about the significance of the festival. Cultural programmes were conducted on the occasion. The principal wished the students for the festival and asked them to have an eco-friendly Diwali.

ADMISSIONS OPEN for CBSE XI & XII for Commerce Stream

JHPS has been into schooling for 30 years and knows what learning is all about... It is not just a school with the best of infrastructure and best teachers, but also an institution which makes sure that every child who enters its domain discovers the joy of learning. It helps to build an image within, with greater strength and confidence and the belief of a winner. JHPS inspires every child to achieve his/her aspirations.

CBSE XI & XII COMMERCE STREAM

With the right blend of academics and activities, CBSE is a practical curriculum that is recognised all over the world. It is the most comprehensive and guiding curriculum for students interested in appearing for common All India Entrance examinations such as CPT & CLAT.

FACILITIES

- ◆ Smart boards in every class room.
- ◆ English lab for communication skills.
- ◆ Spacious playground with sports such as Tennis, Basket ball, Cricket etc.
- ◆ Career counselling and guest lectures are organised.
- ◆ **Audio Visual Studio for reinforcement of learning.**

ELIGIBILITY

Students completing class X in March 2016 from all boards should visit the school with report cards of classes IX and X and 3 passport size photographs.

Note : Admissions are purely based on merit & interaction.
