SCHOOL ROUND UP FOR DECEMBER, 2023

In December 2023, Jubilee Hills Public School orchestrated a spectacular array of events, reaffirming its commitment to academic excellence and holistic development. The Pratibha Darshan events showcased the creative brilliance of the students, with Class 3 presenting the theme 'Maanavata' with heartfelt performances, UKG exploring the enchanting world of 'Parable,' and Class 1 resonating with the beats of 'Taal,' displaying the diverse talents nurtured within the school.

The school's dedication to quality education was duly recognized with the Best School Award by Brainfeed and the Best CBSE School Award by Times of India, underlining its outstanding contributions to the field of education.

Festivities were in full swing with the Math Day and Christmas Celebration, fostering a joyous spirit of learning. Beyond the classroom, students excelled in external activities, clinching victories in the National Automobile Olympiad, earning Allrounder accolades in Art, Dance, Group Discussion, Quiz, at City Level and won cash prize, CBSE Regional Science Exhibition won 1st prize and selected for Nationals, contributing to the Student Penuer Confluence participants won 1st prize and received cash prize. The Education-21 Workshop by IIT Entrepreneurship cell, Chennai, further enriched the students' knowledge, showcasing Jubilee Hills Public School as a hub for holistic education and multifaceted growth.

CLASS I PRATIBHA DARSHAN

Jubilee Hills Public School, Hyderabad organized 'Pratibha Darshan' to showcased the skill and talent of each student of Class I on 30.12.2023. It was a fantastic theme-based programme, 'TAAL' the rhythm of dance forms-a reminiscence of rich culture, tradition and heritage of India. The audience were welcomed with a pleasant prayer song and a dance. The entire programme was very well hosted in three languages. The show was packed with musical renditions- dance forms of India. The students awestruck the audience by speaking in different regional languages. The colourful traditional attire and dances reflected the essence of varied rich cultural heritage of India. The tiny tots left no stone unturned to make the event a grand success.

CLASS 3 PRATIBHA DARSHAN

Jubilee Hills Public School, Hyderabad exhibited the skill and talent of each and every student of Class III on 16th December, 2023 through an astounding programme 'Maanavata'. It was a theme-based programme on Humanity. The students showcased the need of humanity not only to humans but also to every living creature and the environment.

The entire programme was very well anchored in three languages. Children portrayed the combination of different emotions such as affection, empathy,

forgiveness, kindness and determination through an array of programmes. The interesting Skits, vibrant Dances, educative Nukkad Natak and moral dramas enlightened the importance of humanity. The children put up an outstanding show to make the event a grand success.

The President, Sri K. Krishna Dev Rao appreciated the performances and advised that the children should inculcate these values which is the need of the hour, learn simplicity and value for money.

Special Appreciation for Children by the President

UKG PRATIBHA DARSHAN

Parent's Day is the perfect time to show gratitude and appreciation towards the parents for blessing their children with a life worth living. One such day was witnessed by the parents on **09.12.23** in the school premises.

The UKG students celebrated "**Pratibha Darshan**" with a theme "**Parable**" which focused on popular stories like "**Chota Bheem**", "**Akbar and Birbal**", "**Red Riding Hood**", "**Paramanandiah Sishyulu**" and their enactment by the tiny tots. The highlight of the show was Puppetry Dance. Students also grooved to the Hip Hop Dance beats which enthralled the audience.

Students gave heart touching speeches on the theme which spoke highly of their public speaking skills. President **Sri K. Krishna Dev Rao** appreciated the students and teachers efforts for the fabulous performance.

EDUCATION- 21

'The need to work but the want for power, to ponder and permute as the tallest tower. The twists and turns to evolve and empower bloomed an entrepreneur like a bud, from a flower.'

With the above thought a session was conducted on 6th December 2023 in Jubilee Hills Public School, Hyderabad by IIT Entrepreneurship cell, Chennai.

Interns from IIT Chennai had an interactive session with Classes X, XI, XII students about Entrepreneurship. Students participated in the session enthusiastically. In the discussion students addressed the societal problems which are barriers in our day to day life. In the discussion, the presenter introduced Entrepreneurial world to students, which stimulated the excitement in the students' mind. Extending to this, the presenters introduced Education -21(e21) to the audience. Education -21(e21) is the competition conducted every year to identify new blood in the Entrepreneurial world.

Highlighting virtues of humanity

Jubilee Hills Public School Hyderabad

Jubilee Hills Public School exhibited the skill and talent of every student of class III in a theme-based programme on humanity, 'Maanavata'.

The show started with prayer song followed by a welcome dance. Primary Headmistress Vidha Mohan welcomed the gathering and stated that the core virtue of humanity comprises character, kindness and social intelligence.

The entire programme was very well anchored in three languages. Children portrayed the combination of different emotions such as affection, empathy, forgiveness, kindness and determination through skits, dances, Nuktas, Natak and drama.

Principal P. Kanchana Valli addressed the gathering and appreciated the splendid performance of the students. She emphasised that today, in this busy world, we should spread the word on humanity. A small act of humanity will make a lot of difference. President K. Krishna Dev Rao appreciated the performances and advised that the children should inculcate right values which is the need of the hour, learn simplicity and value for money.

The parents of class III students expressed their gratitude to the management and teachers for giving the opportunity to the children to exhibit such a magnificent show and be a part to spread the awareness of humanity.
