School Round Up

The Spring marks the beginning of a new season with life and vigour after the fall. The Academic session concluded with all open houses scheduled in the month of March alongside vibrant Art Exhibition and innovative Space Lab exhibits. The tiny tots of nursery begin with their formal education, so are welcomed warmly into the campus. The Parents are appraised about the working of the school and all the activities through the Orientation programmes.

Hoping to have yet another successful year ahead!

should monitor constantly and guide them for their improvement as they both play pivotal role in students' life.

The Senior Principal Ms. M. Varalakshmi, said that children observe our actions intently, so we should be careful and give them proper training from childhood. She stated that planning in advance helps us to overcome difficult tasks easily. If we work together with unity and focus on the children, then success can be achieved.

The Primary Headmistress Ms. Vidhu Mohan, said that the students of today are the citizens of tomorrow, so from childhood they should be trained to be disciplined, grow up to be good citizens and guide them forward. She gave an overview of Academics and the regular routine followed in the academic year.

Finally, the Question Answer session cleared all the queries of the parents. They expressed their appreciation for conducting this program, saying that they learned about the finer details of the smooth working of the school.

Parent Orientation Program for "NURSERY, LKG, UKG"

Jubilee Hills Public School has organized an orientation program for the parents of newly admitted students of "NURSERY, LKG, UKG". The Principal Ms. P. Kanchana Valli, welcomed the gathering and enlightened parents on holistic development of students. She shared about the labs, achievements of students and awards won by the school. She said that Pratibha Darshan has been initiated for the students to master the language and instill public speaking skills. She also stated that both the teachers and the parents

ART Exhibition

A Divine Interpretation

"Creativity is seeing what others see and thinking what no one else ever thought."

Jubilee Hills Public School, Hyderabad organized an Art Exhibition from 21st March to 30th March 2024 in the school premises. The exhibition showcased the artistic talents of students from various classes, and it was a great opportunity for them to display their creativity to their peers, teachers and parents.

The artworks on display were of exceptional quality and it was evident that the students had put in a lot of effort and dedication in their creations. There were landscapes, portraits, still life, abstract and many other styles of art represented in the exhibition. Each piece was unique and showcased the individuality of the artist's creative expression.

Overall, the exhibition was a great success and it showcased the artistic talents of our school's students, it was a great platform for them to express their creativity and in future these exhibitions will continue to encourage and nurture the artistic talents of our students.
