FIELD TRIP

Career opportunity during the field trip

On 20th September 2023, Grade XI and XII students of Jubilee Hills Public school visited the Footwear Design and Development Institute of India (FDDI), Hyderabad, for their field trip. The surprise that awaited them was an actual hands-on experience, the Institute allowed them to create, design, stitch or paste the pieces to create a product. Our versatile students moved into action and amazing creations rolled out, footwear, handbags and outfits. Fashion Industry as a Career cascaded right there as a personal experience plus the opportunity to interact with the experts in the field present for queries or information. The students were very grateful to the Management for the extremely enriching and insightful field trip.

Cleanliness drive taken up at school

Principal, Jubilee Hills Public School Hyderabad

Jubilee Hills Public School, Hyderabad observed Swachhata Pakhwada, a sanitation and hygiene drive on campus. The student-teacher community took the Swachhata Shapath, an oath to keep one's surroundings clean and green. Swachhata awareness messages were pasted on the walls in the corridors. Segregation of waste was done in a judicious manner and talks related to the 3R's (Reduce, Reuse, Recycle) were conducted. Several waste materials were removed from the school premises and disposed of as per SOP. This awareness campaign was

a huge success as students realized the importance of cleanliness and hygiene for a healthy living, thereby enabling them to contribute effectively to the nation's development.
